Continuous enhancements to **Resident Health Plan** and **Care Reporting**, and **prevailing requirements** will apply for both April and November Technical Go-Live (TGL) dates.

<sup>1</sup>Enhancements include: (i) Patient Drug Delivery service, the (ii) HSG Chronic Tier and Subsidy Calculator (iii) Removal of Co-payment requirement for Medisave CDMP Bills.

<sup>2</sup>Enhancement includes Data submission for COVID-19 vaccinations under National Vaccination Programme.

<sup>3</sup>Enhancement includes Retrieval of Care Report and Health Plan Data Submission Summary.

<sup>4</sup>Enhancements include: (i) Align NEHR to National Immunisation Records Portal's stricter validation standard (ii) Validation of allowed scenarios and workflow for merging data of patient with multiple national IDs.
